The next meeting of the Conclave will be held at Lebanon, beginning the third Wednesday in May, 1908.

Maysville Commandery No. 10, gave a reception and boat ride aboard the steamer Courier, and about three hundred knights and ladies enjoyed a delightful cruise on the beautiful Ohio river to Manchester and return. Twenty minutes was allowed the excursionists to promenade the streets and view the pretty little village. Refreshments were served aboard the boat and the young folks whiled away the time in enjoying the festive dance. The hours were from 3 to 5 p. m.

At 8 p. m. the public installation of Grand Commandery Officers at the First Baptist Church was witnessed by a large assemblage. Past Grand Master of the Grand Encampment of the United States, Warren LaRue Thomas officiated.

#### RECEPTION BY ASHLAND COMMANDERY.

The reception given on Wednesday evening from 8 to 10 by Ashland Commandery No. 28, K. T., at St. Charles Hotel was one of the happiest features of the Conclave, and proved that Northeastern Kentucky in the chivalry of its knights, the charm and gracious hospitality of its ladies, is by no means least in the ranks of Kentucky's most honorable Knight Templar.

The spacious halls and ample reception rooms of the St. Charles Hotel, which afforded entertainment for Ashland Commandery throughout the Conclave, were made very beautiful for this occasion. Palms and feathery ferns formed a most attractive background for the uniformed Sir Knights and handsomely gowned ladies who extended the glad hand of welcome to their favored guests.

In the receiving line were Eminent Commander W. W. Carr and Mrs. Carr, Past Eminent Commander William Hager and Mrs. Hager, Past Eminent Commander Arthur Richardson and Mrs. Richardson, Past Eminent Commander S. P. Hager, Sir Knight J. W. Martin and Miss Myrtilla Davis, Sir Knight John King and Mrs. King, Sir Knight F. Henderson and Mrs. Henderson.

derson, Sir Knight Howell Jones and Mrs. Jones, Sir Knight Swift Champ and Mrs. Champ, Sir Knight J. B. Bennett and Miss Bennett, Sir Knight Pollock and Miss Pollock.

The punch bowls which were found in cozy nooks, were presided over by Mrs. Kitchen, Miss Goldie Jones and Miss Bennett, in the first reception hall, Mrs. Welsh, Mrs. Shipman and Miss Morton gracefully served from the second, and Mesdames Haney, Horrocks and Robertson greeted the guests at the third refreshment bowl.

Great bowls of roses and carnations lent color and fragrance to the apartments, and were presented as favors by Mesdames Earl Corwin, Karl Jansen and Miss Stella Taylor.

Ices and cake were temptingly served throughout the evening. The excellent management of Ashland Commandery's headquarters greatly aided their entertainment committee in the success of the evening.

The annual state session of the Grand Commandery of Kentucky Knights Templar, which has been sitting in this city for three days, was brought to a climax last evening when the event culminated with the

#### GRAND BALL AND BANQUET.

"There was a sound of revelry by night For old Kentucky had gathered there her beauty and her chivalry. Soft the lights shone on fair women and brave men; And when music arose with its voluptuous swell, Soft eyes look love to eyes that spoke again, And all went merry as a marriage bell."

At 10 o'clock the entrancing strains of Weber's superb orchestra of sixteen pieces floated out over the vast assemblage. At the sound of the bugle call, forthwith one hundred couples formed the grand entry, and, passing through the various evolutions, merged into the exquisite waltz, the climax of grace and delightful enjoyment.

The magnificent Mason Temple auditorium was ablaze with electric lights and glorious color. Over its surface of spotless white the gallant beaux and beautiful belles flitted away the all too fast speeding time.

Additional lights had been placed, ferns and palms backed the orchestra platform and the series of allegorical paintings canopied all as the throne sequesters the King.

Never before has a more magnificent sight been seen.

The knights in full dress without the sword, stood to welcome the guests and after rambling through the gorgeously decked rooms moved into the ballroom where the fete reached its periphery.

Certainly the wealth of jewels and the prodigal array of gowns displayed, accentuated the great beauty of Kentucky's womanhood—a distinctive type of perfection embodying the composite stateliness and ravishing beauty; in Italy the skin, in France the jeweled eye, in England grace, in Germany health, in America style and in Kentucky all these together which last night stood out as par excellence in her perfected, regal Queenliness.

During the evening a buffet luncheon was served by caterer Traxel and the 500 guests enjoyed the feast so dexterously handled and so temptingly served.

A few of the long list of guests follow:

# Shoe Department

We can safely say that we are doing the shoe business of the town, we mean the GOOD shoe business of the town. Of course there is a reason for it. When we went into the market to buy Men's and Boys' Shoes we looked for the best—we looked for shoes that we could guarantee. Our lines are the Hanan, W. L. Douglas and Walkover. There is not another shoe house in Kentucky whose stock comprises these three lines; nor is there another shoe house in Kentucky that guarantees the shoes they sell.

## The Weather is Coming Right

For Panama and Yacht Hats, White and Fancy Vests, Summer Underwear, Negligee Shirts and Summer Neckwear. In all of these lines we show the newest and best. Owing to the backwardness of spring we have lately bought of a manufacturer a line of Spring Suits at about 60 cents on the dollar. See them in our clothing window. They will speak for themselves. We have them in all sizes.

The readers of this paper will be pleased to  
learn that there is at least one dreaded disease that  
science has been able to cure in all its stages, and  
that is Catarrh. Hall's Catarrh Cure is the only  
positive cure now known to the medical fraternity.  
Catarrh being a constitutional disease, requires a  
constitutional treatment. Hall's Catarrh Cure is  
taken internally, acting directly upon the blood  
and mucous surfaces of the system, thereby de-  
stroying the foundation of the disease, and giving  
the patient strength by building up the constitu-  
tion and assisting nature in doing its work. The  
proprietors have so much faith in its curative  
powers that they offer One Hundred Dollars for  
any case that it fails to cure. Send for list of tes-  
timonials.

GREW MISS CARROLL'S HAIR

AND WE CAN

## PROVE IT

### Beautiful Hair At Small Cost.

WITHIN the last decade great and rapid strides have been made in  
Materia Medica. Many diseases that were considered incurable  
fifteen years ago are now cured in a few days, and in many cases prevented  
altogether. The scientists of late years have been delving for the cause,  
the foundation, the reason and the starting point of disease, fully realizing  
that the actual and true cause must be ascertained before the remedy can  
be located. Hair troubles, like many other diseases, have been wrongly  
diagnosed and altogether misunderstood. The hair itself is not the thing to  
be treated, for the reason that it is simply a product of the scalp, and  
wholly dependent upon its action. The scalp is the very soil in which the  
hair is produced, nurtured and grown, and it alone should receive the  
attention if results are to be expected. It would do no earthly good to  
treat the stem of a plant with a view of making it grow and become more  
beautiful—the soil in which the plant grows must be attended to. There-  
fore, the scalp in which the hair grows must receive the attention if you  
are to expect it to grow and become more beautiful.

Loss of hair is caused by the scalp drying up, or losing  
its supply of moisture or nutriment, and when baldness  
occurs the scalp has simply lost all of its nourishment,  
leaving nothing for the hair to feed upon (a plant or even  
a tree would die under similar conditions).

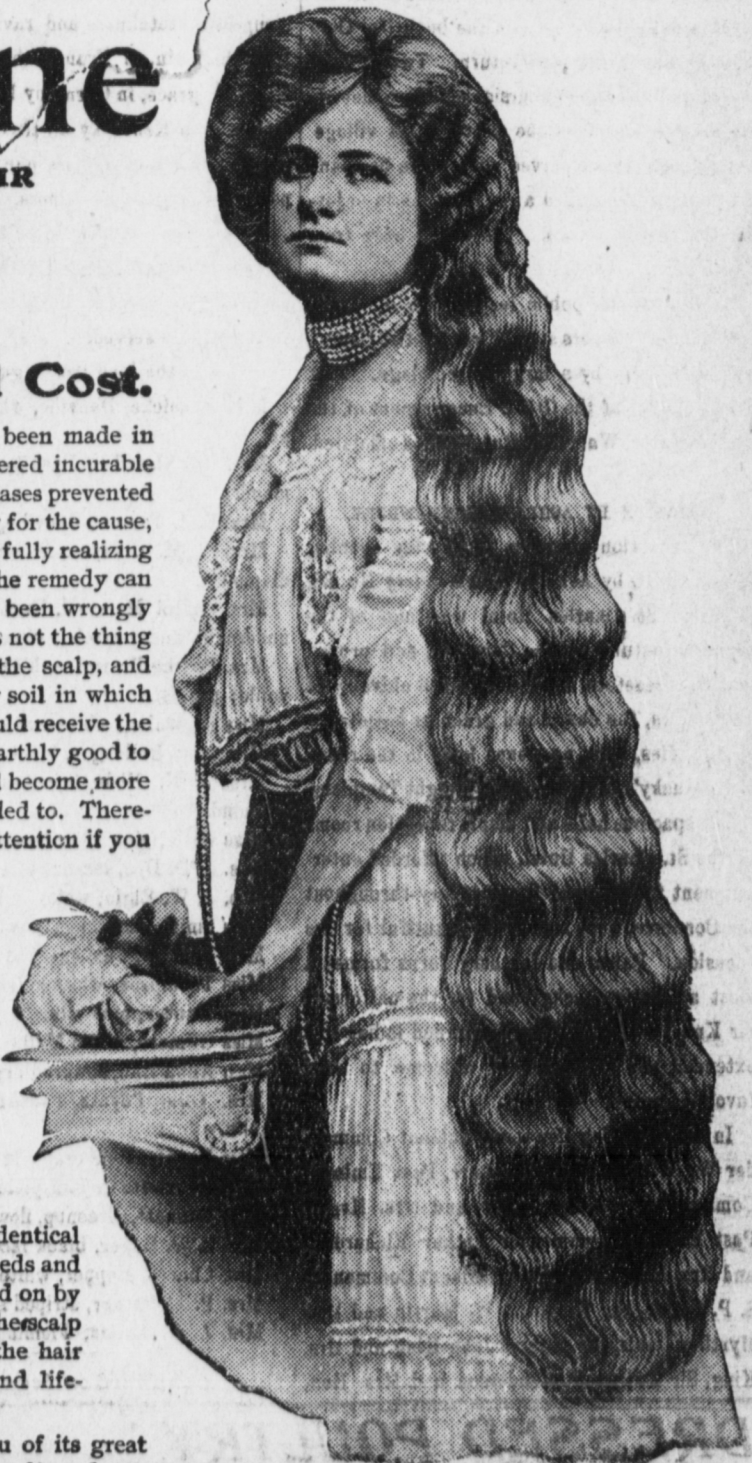

The natural and logical thing to do in either case is,  
feed and replenish the soil or scalp as the case may be,  
and your crop will grow and multiply as nature intended  
it should.

### Dr. Knowlton's DANDERINE

is the only remedy for the hair ever discovered that is identical  
with the natural hair foods or liquids of the scalp. It feeds and  
nourishes the hair and does all the work originally carried on by  
the natural nutrients or life-giving juices generated by the scalp  
itself. It penetrates the pores of the scalp quickly and the hair  
soon shows the effects of its wonderfully exhilarating and life-  
producing qualities.

One twenty-five-cent bottle is enough to convince you of its great  
worth as a hair growing and hair beautifying remedy—try it and see  
for yourself. Now on sale at every drug and toilet store in the land.  
Three sizes, 25c, 50c and \$1.00.

FREE To show how quickly Danderine acts we will send a large sample free by return mail to anyone who sends this advertisement  
to the Knowlton Danderine Co., Chicago, with their name and address and 10 cents in silver or stamps to pay postage.

Warfare which had been waged for years in the Kentucky State Encampment of the Grand Army of the Republic for control of its affairs through its Administration Board, resulted Wednesday in the overthrow of the Louisville coterie which had wielded undisputed power in the organization for the past ten years. The defeat was accomplished by the election of Prof. Le Vant Dodge of Berea, as Department Commander.

Thursday afternoon a sedate and well-known East Fifth street resident was the victim of a singular and funny, though expensive occurrence. He had provided himself with an umbrella for protection against the fickleness of the weather. Not having occasion to use it he was carrying the rain protector under his arm while perambulating the streets watching the parade. At a certain point in his walk a stranger halted him with the remark—

"Say, friend, did you know your umbrella was afe?"

The startled hillside, not being aware of the fact, investigated and sure enough the umbrella was smoldering to beat the band and half consumed.

What's bothering Dave, is how that \$2 umbrella caught fire.

BACKACHE AND DESPONDENCY

Are both symptoms of organic derangement, and nature's warning to women of a trouble which will sooner or later declare itself.

How often do we hear women say, "It seems as though my back would break." Yet they continue to drag along and suffer with aches in the small of the back, pain low down in the side, dragging sensations, nervousness and no ambition.

They do not realize that the back is the main-spring of woman's organism and quickly indicates by aching a diseased condition of the feminine organs or kidneys, and that aches and pains will continue until the cause is removed.

Lydia E. Pinkham's Vegetable Compound

made from native roots and herbs has been for many years the most successful remedy in such cases. No other medicine has such a record of cures of feminine ills.

Miss Lena Nagel, of 117 Morgan St., Buffalo, N. Y., writes:—"I was utterly worn out and on the verge of nervous prostration. My back ached all the time. I had dreadful periods of pain, was subject to fits and extreme nervousness, and was always weak and tired. Pinkham's Vegetable Compound completely cured me."

This community suffered a severe shock and sustained a great loss by the death of Mr. Robert T. Marshall, which occurred at his home near here last Tuesday morning about one o'clock from apoplexy. Mr. Marshall was a great power for good in this community. His Christian example, brotherly sympathy, brilliant mind and strong character, all combined, naturally made him a great leader among men. He was always ready with open heart and hand to aid the suffering and distressed, and his tears of sympathy and words of comfort have lightened the load of many a fainting soul. His chief aim in life was to serve God and to aid suffering humanity in every way possible. On Saturday before his death Mr. Marshall was in Maysville rendering all the help he could for the cause of temperance.

### WORKS WONDERS

**A Wonderful Compound—Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.**

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Maysville testimony proves it.

Mrs. Kate Poth, living at the corner of Clark street and Forest avenue, Maysville, Ky., says: "I gave a statement about Doan's Ointment which was published in our Maysville papers. I said that I had received most decided benefit from the use of this remedy. For a long time I had an itching or eczema of the scalp. It broke out in spots and sometimes the spots would appear on my forehead and temples. The itching was particularly troublesome just before a rain, and was then so intense that I could not sleep at night. It required only a short use of Doan's Ointment to cure the trouble, and the cure has been lasting for the past five years. There has never been even an indication of a recurrence. A friend also had eczema and tried everything for it but never found anything to remove the annoyance. On my recommendation she used Doan's Ointment and was absolutely cured."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
